The PT-1810 creates professional, laminated, adhesive-backed labels that can be used for virtually any office application.

The PT-1810 labeling system uses 4 different "TZ" label widths that are available in a selection of many different color combinations. Each label adheres to practically any surface, withstands variations in temperature (from freezers to microwaves) and is water resistant.

These laminated labels are ideal for identifying folders, computer disks, office equipment, computer hardware and more.

The PT-1810 is loaded with features including two built-in fonts, 8 type styles, 7 type sizes, vertical and mirror printing, three line printing and more! Complete with a protective carrying case, one "TZ" tape, 6 AA batteries, user's manual and tape separator, the PT-1810 is a product you can't live without.
